

Help Provide More Quality of Life

People are living longer and may need help to ensure a better quality of life. You, your loved ones, and your neighbors deserve to live out your life with dignity, comfort, and a feeling of warmth, peace and security.

The Samaritan Society was formed to create an opportunity for caring individuals to help enhance the lives of the residents and patients of our many facilities and programs. Those who join this group declare their intent to be like the Good Samaritan, by helping people who need care along life's road.

The Continuing & Home Care Foundation of Catholic Health is working to assure that a higher quality of life is provided for those entrusted to our care—today and tomorrow.

of Catholic Health

Our Mission

The name "Samaritan" honors the compassionate passerby described by Jesus in the familiar biblical parable, (Luke 10:25-37). The Good Samaritan not only tended to an injured stranger, but provided for his continued care as long as was necessary. This charitable and selfless gesture has inspired countless acts of kindness over the centuries.

By joining the Samaritan Society, you will share in the compassionate ideals of the Good Samaritan. Our goal is to lift burdens, just as the Good Samaritan did, so that people can live more fully. Our mission is to allow those we serve to experience the sense of warmth, comfort and security that sustains and helps people thrive.

Our Need

Just as the aging population increases across the nation, the need has never been greater here in Western New York where the number of older people far exceeds the national average. In order to provide the best, most vibrant living situation for those we care for, we need your help.

A Samaritan came to where the man was.

*He felt compassion for him
and took care of him.*

Jesus said, "Go, and do the same."

Our Journey

Your gift will help others along their journey in life. Members may direct their support to an affiliated organization or program, or allow the Foundation to direct the funds where they are needed most:

Father Baker Manor – Orchard Park
Living Independently for Elders (LIFE)
McAuley Residence – Kenmore
McAuley Seton Home Care
Mercy Nursing Facility at OLV
Our Lady of Victory Renaissance
Partners In Rehab/AthletiCare
Mercy Home Care
St. Catherine Labouré – Buffalo
St. Elizabeth's – Lancaster
St. Francis – Williamsville
St. Vincent's – Dunkirk
Sisters Long Term Home Health Care

The Samaritans

At some time, every family will find that a loved one is in need of supportive healthcare. But not everyone has the means to provide for their care. If you would like to be the "Samaritan" for someone in need, consider joining the Samaritan Society.

Membership requires no immediate gift or pledge; rather, it is a statement of support and a promise for the future. Samaritan Society members include the Continuing & Home Care Foundation in their estate, as they plan for the future.

Our Future

Planning for the future is difficult, but making decisions about estate planning, wills and enduring gifts now, brings peace of mind. Options include:

Naming the Continuing & Home Care Foundation, or an affiliated organization, in a specific bequest in your will.

Make the Foundation a beneficiary of an IRA, retirement account, or a life insurance policy.

Create a Charitable Gift Annuity. This increasingly popular option provides donors with an immediate tax deduction and a source of income for the rest of their lives.

These options can be used to honor someone important in your life.

Your Decision

Before making a decision, consult with family members and professionals, including an attorney, financial planner or accountant.

For assistance in developing the best plan for you, contact the Continuing & Home Care Foundation (716) 923-4806. Bequests and Legacy Gifts help fund the most pressing needs now, and in the future.

*Thank you,
Good Samaritan*

On behalf of all those you will help through selfless and generous giving, as you leave behind a special legacy of loving compassion—thank you.

The Continuing & Home Care Foundation is a proud participant in Western New York's Leave a Legacy program, a collaborative effort to promote gifts to charities through wills and estate plans.

The Samaritan Society

I support the ideals and the goals of the Samaritan Society, to enhance the quality of life through legacy gifts.
