PURPOSE: Based on our mission, Catholic Health is committed to providing health care services to all patients based on medical necessity. However, we also recognize the need to provide financial assistance to those who find it difficult to manage the expenses incurred when receiving medical services at our facilities. The purpose of this policy is to define the Healthcare Assistance Program (HAP) and establish the necessary guidelines and criteria for eligibility.

APPLIES TO: Catholic Health extends discounts to uninsured and underinsured patients who receive medically necessary services. While Catholic Health primarily serves the five counties of Western New York, all patients who reside in New York State, contiguous states, or the state of Ohio, and whose household income is equal to or less than 400% of the most recent Federal Poverty Guidelines (as outlined in Attachment C) are eligible. All other patients will be reviewed at the discretion of Catholic Health.

POLICY: The Healthcare Assistance Program, implemented in accordance with all applicable New York State and Federal laws, rules and regulations, considers a patient’s ability to contribute to their healthcare costs and places no undue burden on the patient or the patient’s family. Patients will be provided information and counseling regarding alternative programs or services within their community, in conformance with all applicable New York State and federal laws such as EMTALA. Catholic Health will make reasonable efforts to explain the benefits of Medicaid and other available public and private coverage programs to patients and assist them with the application process. A patient may apply for Medicaid, other insurances, and/or financial assistance at the same time, and may also be screened for presumptive eligibility as described below.

This policy covers all Catholic Health ministries and medically necessary services with the exception of the following: 1) non-medically necessary elective services, 2) provider services other than Catholic Health primary care provider services, Catholic Health employed providers, and others listed as Cover Providers (see attachment D), 3) sub-acute and skilled nursing long term care services and, 4) convenience items such as television, telephone and requested private room charges.

Only services performed by Catholic Health employed providers are covered by the Healthcare Assistance Program. Services performed by non-employed providers within a Catholic Health facility will not be covered by the program and will be billed separately. Instructions on how to obtain a list of both covered and non-covered providers can be found in Attachment D.

PROCEDURE:

1. General Procedure Expectations: all reimbursement and collection practices engaged in and observed by Catholic Health employees, contractors and agents will reflect Catholic Health's mission, values, and policies; patients on admission are given, and receive, prompt access to charge information for any item or services provided to them upon request; the program will be implemented in a manner consistent with all applicable New York State and Federal laws, rules, and regulations; and patients and their families are advised of Catholic Health's policies, including the Healthcare Assistance Program and the
availability of need-based financial assistance, in easily understood terms and any language commonly
spoken by patients in the community.

2. An uninsured patient whose household income is equal to or less than 200% of the current Federal
Poverty Guidelines qualifies for a 100% discount. If a patient’s household income is greater than 200%
and less than or equal to 400% of the current Federal Poverty Guidelines, then the patient qualifies for a
partial discount as detailed in Attachment C. In compliance with Section 501(r) of the Internal Revenue
Code, eligible patients will not be charged more than “amounts generally billed” (“AGB”) to insured
individuals. AGB is the average amount Catholic Health would receive from Medicaid for emergency or
other medically necessary care. In the event there is not a Medicaid fee for needed care, the Medicare
fee schedule will be used to determine the rate.

3. Catholic Health uses third-party vendor presumptive eligibility tools to assist in determining an uninsured
patient’s qualification for a discount under the Healthcare Assistance Program. The assessment of a
patient’s ability to pay is based on a presumptive, objective, good faith determination that will be applied
to all uninsured patients in the same manner. All income sources, the cost of living, family size and
other financial considerations will be considered.

4. An uninsured individual receiving a discount of less than 100% may complete a Financial Assistance
Application. Insured patients are also eligible for discounts under the Financial Assistance Program to
offset the cost of coinsurance, deductibles, and other remaining patient balances. Patients interested in
the Financial Assistance Program must complete, sign, and date an application form. In addition, the
application must include one of the following forms of current income verification: Signed copy of the
patient’s most recent federal tax return; Copies of their last three pay stubs; Copies of their last three (3)
unemployment payment stubs; Copies of their last two Social Security Payment Statements; self-
employment business records of earnings and expenses; or a signed and notarized statement verifying
no income sources. A copy of the application can be found in Attachment A.

5. The sliding scale for awarding financial assistance discounts for both uninsured and insured patients is
outlined in Attachment C.

6. Patients have until the 240th day after the first billing statement to submit an application. Catholic Health
will make determinations within 30 days of the receipt of a completed application and supporting
documentation as outlined above. Awards will be granted for a 12 month period starting with the date of
service requested on the Financial Assistance Application. Patients will be notified of determinations in
writing and any payments made in excess of the approved discount will be refunded in a timely manner.
If applicable, collection agencies will be notified to cease collection efforts.

7. If an application is incomplete, Catholic Health will provide notice in writing of what additional information
is needed. Patients will have 30 days from the date of the letter to comply with the request. If
information is not received within the allowed time the case will be considered closed and regular
collection efforts will begin.

8. Billing and collection efforts, as outlined in the Billing and Collections Policy CHS-RMC-08, will be
suspended once a completed Financial Assistance Application has been received. A patient may
disregard any bill from Catholic Health while the pending application is under review. If at any time
during the application process it is determined a patient is eligible for Medicaid or other insurance
programs, collection efforts will cease and the appropriate payer program will be billed.

9. Related collection practices from the Billing and Collections Policy CHS-RMC-08 are as follows:
   a. An uninsured patient account will not be forwarded to a collection agency if the patient has
      completed a Healthcare Assistance Program application or appeal and is awaiting response or
determination.
   b. The forced sale or foreclosure of an uninsured patient’s primary residence, in order to satisfy a
      patient account, shall be prohibited for all services with the exception of Community Based Care
      services.
   c. Uninsured patients who are participating in the HAP must be notified at least thirty (30) days
      before their account is forwarded to a collection agency.
   d. All collection agencies servicing Catholic Health accounts must obtain written consent from the
      Catholic Health before any legal actions is initiated on any patient account.
e. All collection agencies must agree in writing to follow all Catholic Health Uninsured Expected Payment and Collection Policies and Procedures.

f. Management is accountable to ensure that all collection policies are in accordance with the federal Fair Debt Collection Practices Act and all applicable New York State Law.

g. All collection agencies must provide information to patients on how to apply for Healthcare Assistance or appeal a Healthcare Assistance determination that is below their expectations.

10. All collection agencies are prohibited from making collections from any patient who was eligible for Medicaid at the time services were rendered.

11. Patients with balances remaining after a Healthcare Assistance Program award will be eligible for extended payment terms. Installment payments will be capped at 10% of gross monthly income of the patient’s defined household in accordance with New York State Public Health Law.

12. Any and all determinations made under this policy may be appealed by phone or in writing as detailed in Attachment B. All reconsiderations will be made within 30 days of the date of appeal.

13. Information on the Healthcare Assistance Program is posted in key public access areas such as registration areas and Emergency Departments. In addition, the Catholic Health website contains information on how to apply as well as a plain language summary of this entire policy. Information is available in the primary languages spoken throughout the community. Patients are also offered the opportunity to have the material translated by a multi-lingual telephone translation service. All materials and information will be available to patients upon request and found on the website www.chsbuffalo.org/billing-insurance/financial-assistance.

14. Catholic Health associates engaged in making financial assistance determinations will be trained no less than annually and be kept abreast of procedural and, or regulatory changes.

REVIEW LEVEL:
This policy will be reviewed annually to ensure compliance with related state and federal regulations and any changes in Catholic Health’s operational methodology or process.
Thank you for choosing Catholic Health for your healthcare needs. We are pleased to offer you the opportunity to apply for financial assistance. To be considered for our Healthcare Assistance Program, please print this letter and provide the required information below:

Patient Full Name: 

Patient Date of Birth: _________________ Phone #: ____________________________

Contact Phone: ______________________

Patient Address: ______________________

Bill Account Number: ______________________

Number of People in Household (you, your spouse, and children under 18) ______________________

Additionally, please include:

• A brief letter of hardship stating you would like to apply for healthcare assistance;
• One of the following forms of current income verification: Signed copy of the patient’s most recent federal tax return; Copies of their last three pay stubs; Copies of their last three (3) unemployment payment stubs; Copies of their last two Social Security Payment Statements; self-employment business records of earnings and expenses; or a signed and notarized statement verifying no income sources.

You have 240 days from your first billing statement to submit this application along with all required documents. While your application is being reviewed you may disregard bills you receive from Catholic Health. Please call us at 716-601-3600 or visit our website https://www.chsbuffalo.org/billing-insurance/financial-assistance for more information.

Signature: ____________________________ Date: ____________________________

Please mail required information along with this completed letter to:
Attachment B: Appeal of Healthcare Assistance Determinations

Any financial assistance determination made under this policy may be appealed. A patient may call the Patient Financial Services team at (716)601-3600 or appeal in writing at:

Catholic Health Administration & Training Center
Patient Financial Services Team
144 Genesee Street, 3rd Floor Buffalo,
NY 14203

All decisions regarding an appeal will be completed within 30 days of the receipt of the request. Patients will be notified of any appeal outcome in writing. If, after reviewing the decision, a patient is not satisfied they may request a final appeal in the same manner. The review of final appeals will also be held to the 30 days from the date of the request.

All final appeals will be reviewed by the Vice President of Patient Financial Services or their delegate. A written determination of the final appeal signed by the deciding party or parties will be mailed to the applicant.

With the exception of extraordinary circumstances, such as additional or revised information that would impact the original decision received after the date of the final appeal decision) all decisions rendered on appeals will be final. The written notification of determination of a final appeal will not contain any further notice of right of either further review or appeal.
