

# Give. Nourish. Thrive. **Donate milk.**

Premature infants need breastmilk to prevent life-threatening complications and give them the best start in life, but sometimes a mother's own milk is unavailable.

Help save the life of a newborn by donating your extra breast milk to The New York Milk Bank.

To learn more about donating breastmilk contact us:

**Call 212-956-MILK** (6455)

**The New York Milk Bank**  
185 Old Broadway  
Hastings-on-Hudson, NY 10706
