## Ken-Ton FamilyCare and Mercy Comprehensive Care Center Welcome New Pediatricians

Catholic Health is pleased to welcome pediatricians **Charlie Tan Cheng, MD; Neelam Agarwal, MD; and Andrea Setlik, MD; to its medical staff.** Dr. Cheng will see patients at the Ken-Ton FamilyCare located at 2625 Delaware Avenue in Buffalo. Drs. Agarwal and Setlik have joined the Mercy Comprehensive Care Center (MCCC) at 397 Louisiana Street in Buffalo.

Certified in Neonatal Resuscitation and Pediatric Advanced Life Support, **Dr. Cheng** received his medical degree from the University of Santo Tomas in the Philippines and completed his residency at Columbia University in New York City. In addition to routine checkups for children of all ages, he treats a wide array of pediatric conditions including asthma, pneumonia, acute sinusitis, pharyngitis, UTI, Otitis media, ADHD, and skin disorders. “I believe in not only treating common illnesses, but also advocating for children to become the best version of themselves,” said Dr. Cheng. “I work closely with families to address pediatric health concerns to achieve the best possible outcomes.”

A board certified pediatrician and member of the American Academy of Pediatrics, **Dr. Agarwal** comes to MCCC with more than a decade of experience in outpatient pediatrics. She earned her medical degree from the Lady Hardinge Medical College in New Delhi and completed her pediatric residency at Maulana Azad Medical College in New Delhi. She completed additional pediatric residencies at Newark Beth Israel Medical Center in Newark, New Jersey; and Crozer Chester Medical Center in Upland, Pennsylvania. “I believe kids are precious and it is a privilege to engage with them and assist in their well-being,” said Dr. Agarwal.

Board certified in Pediatrics, **Dr. Setlik** received her medical degree and completed her pediatric residency at the University of Texas Health Science Center in San Antonio. “I enjoy caring for all children, including those with special needs. Working closely with parents helps address a wide variety of needs, including well visits, developmental concerns, and acute and chronic health and behavior concerns,” said Dr. Setlik. “By working together we can provide the most comprehensive care and achieve the best possible outcomes.”

Pediatric appointments can be made by calling Ken-Ton FamilyCare at 716-447-6450 or the Mercy Comprehensive Care Center at 716-847-6610.
