

Catholic Health's long term care facilities are equal opportunity employers. We also affirm that all persons seeking admission to a Catholic Health long term care facility and all residents of our facilities are entitled to high quality patient services without regard to age, race, creed, color, national origin, sex, sexual orientation, gender, gender identity, blindness, handicap, sponsor, marital status, sexual preference or religion. Our facilities do not discriminate and do not permit discrimination, including, but not limited to, bullying, abuse, harassment, or differential treatment on the basis of actual or perceived sexual orientation, gender identity or expression, or HIV status, or based on association with another individual on account of that individual's actual or perceived sexual orientation, gender identity or expression, or HIV status. You may file a complaint with the office of the New York state long-term care ombudsman program at 1 (855) 582-6769 if you believe that you have experienced this kind of discrimination.
