

Stronger Together

On behalf of The Foundation of Catholic Health, it is my honor and privilege to present the 2024 Gratitude Report highlighting the incredible generosity and support of so many individuals and organizations in Western New York and beyond.

Throughout the year, our foundations came together with one goal—strengthening the right way to care at Catholic Health. The results demonstrate that we are truly stronger together. We have improved efficiencies to better support our hospitals, medical staff, and the communities we serve. And our supporters continue to respond in collaboration with our efforts.

The features in this report offer just a sample of the success stories made possible by caring people working together. It is truly the shared commitment of our benefactors, board members, physicians, associates, cosponsors, and supporters like you who help carry out the Catholic Health mission—providing world-class medical care and healing.

As a trusted partner, inspired by faith and committed to excellence, Catholic Health strives to lead the transformation of health care and create healthier communities.

We cannot thank you enough for your continued support of The Foundation of Catholic Health.

A handwritten signature in blue ink that reads "Joyce A. Markiewicz". The signature is fluid and cursive.

Care team at the Medical Rehabilitation
Unit at Kenmore Mercy Hospital

Finding a silver lining

As a married father of eight kids, life in Patrick McDonald's Kenmore Tonawanda home can be hectic. So, in 2021, when Patrick was among the unfortunate ones to experience the wrath of COVID—twice, and pneumonia three times in two years—life became very difficult. By the end of 2022, he had been hospitalized once, then underwent emergency surgery, resulting in a second hospitalization for a 30-day stay.

In January of 2024, Patrick contracted RSV and pneumonia which damaged his lungs severely, resulting in 100% scar tissue. The scarring led to the need for emergency surgery, and he was put on supplemental oxygen. With compromised lungs, Patrick became so sick that he couldn't breathe.

He was rushed to Kenmore Mercy Hospital and put on a ventilator in the ICU for two weeks. From there, Patrick

went to the Medical Rehabilitation Unit (MRU), where he spent 10 days in recovery. The MRU at Kenmore Mercy provides specialized recovery and rehabilitation services for patients after severe illness such as a stroke or heart surgery.

Patrick received coordinated care from a complete rehabilitation team of doctors, nurses, and occupational and physical therapists. The high level of team care was the key to healing so that Patrick could return home to his family, in February, 2024.

Despite all the obstacles he faced, Patrick called his time in the MRU a silver lining. With a long road to recovery ahead, he carries that positive attitude with him.

Dick and Karen Penfold

Gifts of a lifetime

Richard C. & Karen E. Penfold Family Foundation

If you counted the awards and recognition Dick and Karen Penfold have received for their community-wide philanthropic efforts over the years, the list would fill these pages. After selling their regional environmental services company, the couple formed the Richard & Karen Penfold Family Foundation to support countless organizations in Western New York.

Kenmore Mercy Hospital is grateful and honored to be among the benefactors of their generosity.

For more than 30 years, the Penfolds have been ardent supporters of Kenmore Mercy. Dick served as chairman of the hospital's Board of Trustees from 1992 to 1997. The Kenmore Mercy Foundation Board of Trustees honored the couple with its 2009 Lifetime Achievement award. The family's philanthropic support includes annual giving, special event sponsorship, and major gifts, including the hospital's emergency department campaign.

Over those 30 years, the Penfold family has donated over \$500,000 to Kenmore Mercy, making a significant impact on the high quality of care the hospital provides. According to Karen, the goal of their philanthropy is to help others in the community in ways that contribute to health, education, and quality of life.

"The hospital is so important to the community and the effect their work has on the health of our residents is tremendous," Karen says. "Kenmore Mercy will always be close to our hearts."

Louis and Barbara Antonacci
with their daughters

A chain of loving care

Seconds count when treating a stroke, but Louis Antonacci could spend hours thanking all the people who saved his life after he suffered one at his home in Ransomville.

His wife Barbara's quick call to 911 had Louis in an ambulance to Mount St. Mary's where doctors were ready and waiting for him in the emergency room.

Louis was immediately treated in the emergency department where doctors administered a medicine called tissue plasminogen activator, or tPA. It worked fast to dissolve blood clots that caused the stroke, but Louis wasn't out of the woods yet. One of his arteries was 100% blocked. The doctors determined the best course of action was to transfer Louis to Mercy Hospital

of Buffalo which is known for its excellence in stroke care. Dr. Jason Davies, the Neurosurgeon who removed his blockage, went above and beyond to reassure Barbara that her husband was in good hands.

After successful surgery, Louis had some physical therapy and occupational therapy at home through Catholic Health. It made all the difference. He was back at work in the family restaurant business in just a few months and even went hunting in the fall. He is now retired and enjoying life.

Looking back, Louis says he can best describe his experience with Catholic Health as a chain of loving care—from Mount St. Mary's to Mercy to home.

Lockport Memorial Guild

Continuing a century of support

The Eastern Niagara Hospital Women's Guild was founded in 1905 to help support one of the first hospitals to open in Lockport in 1908. More than a century later, the Guild—now known as the Lockport Memorial Guild—is still going strong.

The Lockport Memorial Guild recently donated \$100,000 toward development of the Lockport Memorial Campus of Mount St. Mary's Hospital. The Guild was among several foundations, community groups, and private donors who came out to support the new hospital. The Guild has supported numerous projects over the past 100-plus years to develop health care services across the Niagara region.

"The Guild is proud to support Lockport Memorial and other programs to advance patient care for Niagara County residents," says Linda Shutt, chairman of The Lockport Memorial Guild. "We will continue our efforts to promote a healthy future for our community."

Lockport Memorial's 60,000 square-foot facility features an 18-bed full-service emergency department; 10-bed inpatient unit with the ability to expand to 20 beds; diagnostic imaging and laboratory services, including blood draw; and medical offices for primary care, women's health, and specialty care services.

Michael Denton with Dr. Rosalind Lai
at Mercy Hospital

A stroke of good fortune

Michael Denton says he's a lucky man.

He had a stroke last fall and fell in his kitchen. Fortunately, his son came home from work around the same time and quickly called 911. EMTs rushed Michael from his home in Gowanda to Mercy Hospital, and the ER staff was waiting for his arrival.

Doctors discovered a large clot in a major blood vessel and immediately took him into surgery. "I didn't even realize what was going on—in my mind I was fine," Michael recalls. "The next thing I remember was waking up and having Dr. Rosalind Lai tell us the surgery was successful and I could go home the next day."

A former case specialist with the Department of Social Services in Erie County, Michael says it was good to know Mercy Hospital is nationally recognized for quality stroke care.

He also recognizes the care and compassion of the team that worked together to save his life and were crucial to his recovery.

"Having so many skilled and quick-acting people is the key to being able to have a good quality of life versus one of struggle and hardship," Michael concludes. "I'm just so grateful—I really got lucky."

Craig Harris, Deanna Messinger, Frank Downing, Dane Franklin, and Jon Clark

Towne Automotive Group

In the heart of Towne

For over 27 years, Towne Automotive Group has been a steadfast supporter of the Foundations of Catholic Health, donating more than \$100,000 over that period, including special event sponsorships.

"The community has been so good to us, and we are proud to support community resources such as Mercy Hospital and Catholic Health," explains Frank Downing

Jr., president. "We have had customers tell us the support we gave to a particular organization or project helped them out personally—that's why donating is important to us."

Last year, Downing spoke with his brother, Dr. Stephen Downing, a cardiothoracic surgeon at Mercy Hospital, about what he thought was the most important project underway at the hospital. Dr. Downing said he thought new CT scanners at Mercy were critical and would make a tremendous impact on patient care.

Mercy Hospital averages 85–90 scans per day, 2,700 per month, and over 32,000 annually. The installation of two new CT scanners in the emergency department allows for faster response to patients at Mercy, the only stroke center in Buffalo that has received the nation's highest and most-demanding designation as a Comprehensive Stroke Center (CSC).

This donor funded initiative involved hundreds of donors including the Downing Family and Towne Automotive, who made a \$10,000 donation to support the \$3.5 million CT scanner project. The support is already making an impact for stroke patients and the medical professionals who care for them at Mercy Hospital.

Luke, AnneMarie, and Celia Haumesser

Worth the wait

Like many one-year-old girls, Luke and AnneMarie Haumesser's daughter can be a little stubborn. But she was that way even before she was born.

AnneMarie was more than a week past her due date when the decision was made to induce labor at Sisters Hospital. As treatment began, she and her husband waited for what seemed like ages, but the baby wouldn't budge. She was perfectly healthy, but AnneMarie was in labor and delivery for nearly three days!

AnneMarie says the doctors were so patient and caring the whole time and empowered her to decide whether

she wanted to keep going. Ultimately, their stubborn little girl won, and it was necessary to deliver by C-section. Needless to say, three days in delivery and three days in recovery made for a stressful time.

AnneMarie and Luke note that everyone on the labor and delivery team was amazing. Dr. Emily Williams delivered the baby and was so kind and compassionate. And all the nurses were wonderful throughout their stay. In fact, three of the nurses came to visit AnneMarie in the post-partum unit. That is really what stood out for the couple. They took the time out from their busy, hectic jobs to check up on the new family.

Family and friends at the Dedication Ceremony at Sisters Hospital

ELF Foundation

Gift features 40 for 40

Thelma Frauenhofer, RN, BSN served as a nurse in Sisters Hospital's Mother Baby Unit for 40 years. She attended nursing school at Sisters and began working

part-time while raising her family. Over her career, she assisted in the delivery of countless babies and eventually became the unit's Assistant Manager.

When Thelma passed away last spring at the age of 93, her family wanted to do something special to honor her legacy as a healthcare provider. The family's ELF Foundation made a \$100,000 donation in her memory that enabled the Mother Baby Unit to completely refresh its Newborn Nursery. The gift funded new cabinetry and flooring as well as 40 brand new, state-of-the-art bassinets, representing Thelma's four decades of service.

"Our mom was very humble, and she took care of everybody," says Peggy Galante, Thelma's daughter. "The ELF Foundation's gift honors her in a way that embodied who she was and what she cared about."

Sisters Hospital recently held a dedication ceremony for the nursery, with friends and family, to recognize Thelma's contribution to the Mother Baby Unit, and the hospital as a whole.

Betty Strachan

Appreciation for LIFE

As a former religious order missionary, Betty Strachan understands how important it is to be compassionate and caring. When she began attending LIFE: Living Independently for Elders program, she found that Catholic Health understands the importance, too.

As a missionary, Betty worked very hard for more than 20 years, serving the poor in areas such as Harlem, NY and New Orleans, LA. She left the order to return home to Buffalo and care for her elderly mother. When her mom passed, Betty decided she needed to now take better care of herself and enrolled in the program in order to receive all-inclusive care.

Betty says she can't say enough about the LIFE program—she calls it a lifesaver. Now she participates three days a week and never misses a beat. Aides are assigned to Betty to help with everything from PT, OT, and medical care to activities, exercise, prayer services, and entertainment. Betty loves to dance, and the program offers that, too!

Betty says she loves spending time there and considers them her family as she has never had anyone take such good care of her.

Justin and Amy Rowan

Justin and Amy Rowan A wedding invitation

Justin and Amy Rowan first met on a virtual “chaplain huddle” for Catholic Health associates during the COVID pandemic. Justin is a certified chaplain and has cared for patients and residents at McAuley Residence in Kenmore since 2017. Amy, with a master of divinity from Boston University, is a pastoral minister for the LIFE-PACE program. Since 2021, she has guided

spiritual care for LIFE-PACE, which supports seniors to live independently through program sites at D’Youville University, Villa Maria College, and Our Lady of Victory.

After their virtual meeting, the couple began exchanging emails on topics related to their profession, from religious studies to patient care. They soon met in person and dated for nine months, leading to their engagement. Justin and Amy were married at St. Philip the Apostle Church in 2023.

Grateful for the opportunity they had been given, the couple decided to do something different for their wedding reception. In lieu of gifts, the Rowans invited their wedding guests to donate to The Foundation of Catholic Health. The generosity of the guests was remarkable.

“One of the aims for our marriage has always been to point beyond ourselves, whether to the values we hold dear or to people in need,” Justin explains.

“We are so happy to offer this donation as one of the fruits of our love for one another,” concludes Amy. “It reflects our heartfelt faith and is another opportunity to help those we care for at Catholic Health.”

Thank you to our donors!

\$4,474,048¹

Total Funds Raised

You have our deepest gratitude for your support in 2024, and your commitment to helping advance our mission of providing high-quality and compassionate care.

The Foundation of Catholic Health exists to raise funds and steward existing resources to support patient care and priority projects and programs throughout Catholic Health hospitals and our affiliated ministries. Through your generosity, you help us give life to our vision of transforming care to improve the health of our community!

Thank you to all 1,515 donors who helped to raise the following funds:

Corporate and Foundation Gifts \$2,371,040

Annual Gifts
\$670,132

Planned Gifts
\$473,577

Major Gifts

Special Events
\$400,712

Other Revenue
\$98,587

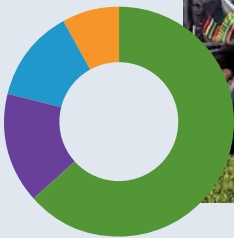

Thank you!

Through your generosity, the following investments to support patient care and improve the patient experience were made through The Foundation of Catholic Health.

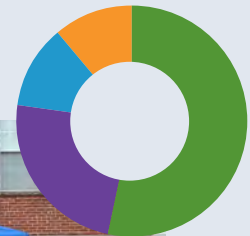

Provided over **\$1.8 million** in total support toward **Home & Community Based Care** including:

- LIFE Program expansion to D'Youville (\$1,173,153)
- Exhale respite care (\$61,000)
- Nurse-Family Partnership (\$21,000)

Provided over **\$1.5 million** in total support toward **Kenmore Mercy Hospital** including:

- Purchase of the Globus EGPS Robotic System (\$755,300+)
- Bobcat replacement (\$75,000)
- Emergency department waiting room furniture (\$50,000)
- EKG/KCG carts (\$33,000)
- Laparoscopic surgical trays (\$27,000)
- Associate training/education (\$19,000)

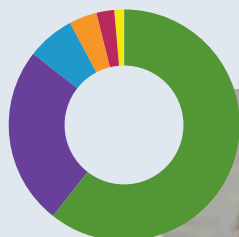

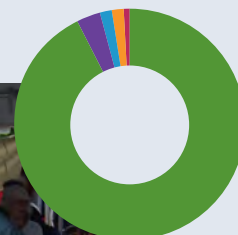

Provided nearly **\$300,000** in total support toward **Mercy Hospital of Buffalo** including:

- MoonBeam disinfection technology (\$38,000)
- Neuroptic Pupilometers (\$10,000)
- MRI-safe wheelchairs (\$8,400)
- Pediatric stretcher for ED (\$8,000)

Provided over **\$2.6 million** in total support toward **Mount St. Mary's and Lockport Memorial Hospitals** including:

- **Lockport Memorial Hospital construction** (\$2,000,000)
- **Community assistance for families in need through the Neighborhood Health Center** (\$71,000)
- **ICU telemedicine equipment** (\$22,000)
- **Associate training/education** (\$13,000)

Provided over **\$1.1 million** in total support toward **Sisters of Charity Hospital - Main Street & St. Joseph Campuses** including:

- **Main Street Campus, NICU** - Girafee Omnibeds (\$169,000)
- **Main Street Campus, mother/baby unit** - bassinet replacement (\$141,000)
- **Main Street Campus, mother/baby unit** - maternal health equity (\$25,000)
- **St. Joseph Campus, Metabolic Rehab Center** - patient educational materials (\$4,400)
- **Associate education and program materials across both campuses** (\$13,700)

1. The total represents the combined philanthropy and funds generated throughout Catholic Health including, Home & Community Based Care, Kenmore Mercy Hospital, Mercy Hospital of Buffalo, Mount St. Mary's & Lockport Memorial Hospitals, Sisters of Charity Hospital- Main Street, and St. Joseph Campuses.
