

## Vice President Medical Affairs Physician Enterprise

Buffalo, NY

**Vice President, Medical Affairs, Physician Enterprise (VPMA)** is responsible for the strategic and clinical performance of the Catholic Health Physician Enterprise.

This position provides leadership for the clinical practice management function of the physicians employed and contracted within Physician Enterprise, Ambulatory Care and the Clinical Councils. Requirements include development and implementation of clinical programs, clinical protocols, and a clinically integrated network. Partners with the Chief Physician Executive on provider compensation structures, contract development and management, integration, and growth and advancement of physician and Advance Practice Provider services. Ensures full governmental and regulatory compliance within Physician Enterprise and Ambulatory Care. Oversight and creation of programs that foster positive relationships among physician practices, and Catholic Health's service delivery entities. Ensures productive partnership with system and community medical leadership. Actively supports the effective recruitment and growth of physicians, Advanced Practice Providers and physician leaders within Physician Enterprise and Ambulatory Care. As the key leader in clinical matters relating to the organization's Physician Enterprise, working closely with the VP of Operations, Physician Enterprise, the Dyad Medical Directors and Dyad Administrative Directors on aligning and integrating physician practices within the organization to ensure efficient, high-quality care and access to the community. Provides strategic planning, alignment with system wide initiatives, senior level leadership, guidance and oversight. Partners with Vice President Operations, Physician Enterprise regarding Trinity Medical responsibilities including accountability for quality performance, active leadership in market share growth, practice acquisition and assessment, recruitment initiatives, clinical financial performance, and productivity. Will work to enhance productivity and financial performance in a manner consistent with the mission, vision, and goals of Catholic Health. Critical to the success of this role is working collaboratively with Catholic Health administration, hospital administration, Catholic Medical Partners, and medical staff leadership to effectively maximize efficiency of clinical components of patient care. Establish an effective medical group culture which is patient centered, evidence based, interdisciplinary, and which continuously improves the patient's experience, safety and quality while reducing expenses. Educate physicians and caregivers, support interdisciplinary teams, and implement strategies and standards which support care that is patient centered, evidence based, and interdisciplinary.

## Buffalo, NY

Buffalo is a beautiful waterfront city that offers all four seasons with numerous outdoor recreational activities for those seeking an active lifestyle throughout the year. Buffalo and Western New York provide many amenities usually found only in big cities, such as theater, great food, a well-rounded education system, and diverse cultural events, all without the burden of higher costs and traffic. Buffalo's renaissance has changed the landscape as well as the opportunities for fun. From breweries to beaches & bike paths to botanical gardens, Buffalo has it all!

## Niagara Falls, NY

### Catholic Health:

With its roots dating back to Buffalo's first hospital in 1848, Catholic Health is one of the largest healthcare systems in Western New York — serving the Buffalo/Niagara region across its network of hospitals, subacute and long term-care facilities, ambulatory care centers, medical offices, and home care agencies. Known for excellence in quality and patient safety, the \$1.5 billion health system includes Kenmore Mercy Hospital, Mercy Hospital of Buffalo, Mount St. Mary's Hospital and its Lockport Memorial Hospital Campus, Sisters of Charity Hospital and its St. Joseph Campus, and numerous Home & Community Based Care services. Along with its more than 9,000 associates and nearly 1,500 physician partners, including Trinity Medical and Catholic Medical Partners, Catholic Health integrates the most advanced clinical and information technology with a tradition of medical excellence and compassionate care. Its team of clinical professionals works together to lead the transformation of healthcare, create healthier communities, and carry out its mission.
